Annual Celebration Dinner

**Featuring Mark Raycroft: Wildlife Photographer and Author**

## ***A Photographic Adventure Across the Wilds of North America***

*Join us for a lively evening of photographic adventure and storytelling by internationally award-winning and 30 year career professional wildlife photographer and biologist Mark Raycroft as he takes us across the wilds of North America! Mark has chronicled the life cycles and ecological challenges of species that evoke the spirit of the wild, with the view of promoting a greater understanding and empathy for these magnificent animals. You will enjoy outstanding photography of such animals as Moose, Caribou, Elk, Polar Bears, Grizzly Bears, Black Bears, and more.*

**Wednesday May 20, 2026**
